

# Support Police Survivors with Every F1 Purchase

Trace Eye-D® Partners with Concerns of Police Survivors (C.O.P.S.)

Trace Eye-D is proud to partner with Concerns of Police Survivors (C.O.P.S.) as a Brand That Gives Back. For every F1 Fentanyl Detection Wipe purchased through an Authorized U.S. Trace Eye-D Distributor, a portion of the proceeds goes directly to C.O.P.S. to help support the families of law enforcement officers killed in the line of duty.

## WHO IS C.O.P.S.?

Concerns of Police Survivors (C.O.P.S.) is a national nonprofit dedicated to rebuilding the lives of surviving families and coworkers of officers killed in the line of duty. Since 1984, C.O.P.S. has provided grief support, counseling, and long-term assistance to thousands of survivors nationwide.

## HOW THE PROGRAM WORKS

- A portion of the proceeds is donated for every F1 wipe sold
- Donations apply to purchases made through authorized Trace Eye-D U.S. distributors
- No forms, no sign-ups, no extra steps required by agencies

## WHY THIS MATTERS

- Fentanyl exposure remains a real and present risk for officers and first responders
- The F1 wipe helps reduce accidental exposure during searches, evidence handling, and processing
- Now, each purchase also supports families who have made the ultimate sacrifice
